READ ALL THESE STORIES

1. The Little Cat

Once upon a time, there was a little cat named Tina. She lived in a small house with her owner, Seema. Every morning, Seema would feed Tina her favorite food, milk.

One day, Tina went outside and saw a butterfly. The butterfly flew in the air, and Tina ran after it. She chased the butterfly through the garden and around the tree. But the butterfly was too fast!

Tina was tired, so she sat down and looked at the butterfly. The butterfly came closer and landed on a flower. Tina smiled and went back inside.

From that day, Tina knew it was fun to chase butterflies, but it was also nice to watch them.

2. The Happy Frog

There was a happy frog named Romi. Romi lived in a big pond with his friends. Every day, Romi would jump from one lily pad to another. He loved to splash in the water and sing songs.

One day, Romi saw a new frog at the pond. The new frog was sad. Romi hopped over and asked, "Why are you sad?"

The new frog said, "I don't know how to jump like you."

Romi smiled and said, "Don't worry. I can teach you!"

Romi showed the new frog how to jump from one lily pad to the next. Soon, the new frog was jumping just like Romi. They both hopped around the pond, laughing and playing together.

3. The Lost Bird

One bright sunny day, a little bird flew out of its nest. The bird wanted to explore the world. It flew past the trees, over the flowers, and across the big blue sky.

But soon, the little bird got tired. It looked around and realized it was far from its nest. The bird started to cry. "I don't know how to go home," it said.

Just then, a kind butterfly flew by. The butterfly said, "Follow me, I know the way!"

The butterfly led the bird back to the tree where its nest was. The little bird was so happy to be home.

4. Tommy's Toy Car

Tommy had a toy car. It was red and shiny. He loved to play with it every day. He would roll it on the floor and make it go fast.

One day, the car rolled under the table. Tommy reached under the table but couldn't get it. He was sad. Then his big brother, Jack, came over. Jack bent down and picked up the toy car. He handed it back to Tommy and said, "Here you go!"

Tommy smiled and said, "Thank you, Jack!"

From then on, Tommy and Jack played with the toy car together every day.

5. The Brave Little Turtle

There was a little turtle named Timmy. Timmy was small and slow, but he was very brave. One day, he saw a big, scary snake near the pond. All the animals were afraid and ran away.

But not Timmy. He took a deep breath, slowly walked up to the snake, and said, "Please leave. The pond is for everyone."

The snake looked at Timmy and said, "You are brave, little turtle. I will go away."

Timmy smiled and went back to his friends. They cheered for him, and Timmy felt very proud.
